Email Distribution Lists

The following email addresses were created so it would be easy for residents to communicate with groups of people. For example, you can reach everyone sharing the same street name as yourselves. Due to system limitations we had to create multiple email addresses for some groups so be sure to send an email addressed to **all** of the emails listed for the respective group! There are also distribution lists so you can easily reach the CFSA Board or make a barn reservation.

All Residents allresident1@colonyfarmssub.com
allresident2@colonyfarmssub.com
allresident3@colonyfarmssub.com

Note that the All Residents distribution list does not currently include anyone from the Condo Association.
