

Colony Farm Subdivision Association
March 25, 2010 Meeting

1. The annual meeting was discussed including invitation to the condo president, discussion of improvements made during the year (road, windmill, landscaping, possible summer picnic and financial review by Jon Sasnowski.
2. It was decided that more road repairs were needed at Ann Arbor Road to Thoreau. Potholes would be decided on a case by case basis. Steve will walk the area and mark the repair areas.
3. No drain repair will take place. These repairs would only be done by Wayne County.
4. Fertilization and lawn cutting quotes were discussed. The Board decided to change companies and group both services with a single contractor (Geronimo Lawn Service). The new company has reduced our costs by over \$2500.00.
